Career Objective

Motivated and hardworking Diploma Engineering student in Computer Science and Technology (CST), with basic knowledge of HTML, CSS, JavaScript, and Python. Eager to learn new technologies, develop professional skills, and build a successful career

Career Summary

I am currently a final-year Diploma in Engineering student in Computer Science and Technology (CST). I am looking for a job opportunity to gain practical experience and become financially independent. Alongside my job, I plan to pursue a BSc in Engineering in the future. My ultimate goal is to build a successful career in a reputed software company.

Special Qualification

I am a quick learner, hardworking, responsible, and adaptable. I can understand new tasks quickly, work well with others, and handle responsibilities efficiently. I am always eager to learn and improve.
